

A message about your auto insurance

The auto insurance industry is changing. Effective September 1, 2010, automobile insurance limits are changing for every policyholder in Ontario. As a result of new legislation, some of your coverage limits will be reduced when your policy renews.

As your Broker, OTIP recognizes the importance of keeping you informed. Now more than ever, it is important that you carefully review your policy renewal documents, which you will receive approximately 45 days before your renewal date. In this package, you will find an explanation of how your policy has changed and what your options will be going forward.

No adjustments relating to this new legislation are necessary until your policy renewal date. If you have questions about the changes at that time, please call us at 1-800-267-6847. We will provide you with the reliable information and advice you need to make the best decision for you and your family.
