Why we golf and how your support matters

The OTIP Charity Golf Classic is more than a day on the course—it's a way to align your brand with student well-being, education equity, and community impact across Ontario.

As a sponsor, you'll connect with leaders from the education, insurance, and business communities while gaining meaningful brand visibility throughout this flagship event. Together, we're helping remove barriers to learning, health, and opportunity so more students can succeed.

Proceeds from the tournament are directed through the OTIP Community Fund to support charitable organizations advancing nutrition, mental health, and education equity—the foundations of student well-being and educational opportunity.

For more than 35 years, OTIP has raised over \$3 million for education-focused and student-centered causes. With your partnership, we can continue to grow this impact.

To explore corporate sponsorships or other partnership opportunities, contact OTIPCharityGolfClassic@otip.com.

Thank you for standing with us and a community that believes every student deserves the chance to thrive.
