

# Retiree Health Plan

Our commitment to insurance built around our members of the education community doesn't stop at retirement

## What are the reasonable and customary limits for paramedical services?

Industry studies show that paramedical services have become more popular in the last ten years.

With per visit maximums, you can do some comparison shopping before buying items or services to reduce your out-of-pocket expenses such as costs of treatments and services.

Service	Per Visit Maximums*
Physiotherapy	Initial - \$134 Subsequent - \$84
